PLEASE REVIEW OUR POLICIES AND THEN SIGN AND DATE AT THE BOTTOM:

MATT REMOVAL: We always put your pet's safety, care and comfort above all else. In the event that your pet's coat is matted, the groomer may have to shave the matts out rather than perform a painful de-matting procedure. In cases where the pet's coated is extremely matted, there is an increased risk for clipper burn or cuts to occur. In many extreme matt conditions, your pet may need be shaved but one of our groomers will consult with you first if shaving is necessary. When the pet is shaved you will need to protect their skin from sun exposure until the hair sufficiently grows back.

HEALTH & INCIDENTALS: The highest level of care and safety is taken for each pet in our facility. We require all of our pet's to be up to date on all vaccinations prior to every grooming. Grooming procedures can also be stressful to some pets especially senior pets, those with health problems and puppies who haven't been groomed before. In the event that your dog is showing signs of stress and discomfort, we will groom the pet for cleanliness and comfort in styles that will not add to their stress. We will inform you of your pet's experience and if we are unable to complete the groom. Our groomers use clippers and scissors so in the event that a dog is stressed, pulling away, etc. injuries may occur such as razor burn, skin irritation, and other minor injuries. We encourage you to inform us of any health concerns or issues your pet is experiencing at check-in.

EMERGENCIES: In the event of an emergency, we will seek immediate veterinarian attention at our vet on call 24/7, unless your pet has an on-going medical issue that warrants your vet's attention.

CANCELLATION POLICY: We require at least a 24 hour notice prior to your pet's grooming appointment time so it can be made available for another client who is on a waiting list. If TWO appointments are missed without giving notice, you will be required to pre-pay prior to scheduling any future appointments.
